

TWO COUNTIES NETBALL – OUR VISION

Two Counties Netball League recognises that we have a part to play in developing and promoting netball in our Nottinghamshire and especially in raising the development of younger players as this the key to sustainability.

Two Counties Netball League has opportunities to link with other organisation e.g. sport development/school and clubs to generate more opportunities in our local community providing enjoyment and easy access to lifelong Netball opportunities and to be creative in this area.

Two Counties Netball League would like to try and aim to fulfil what our members would like in their league/ club and consult them at all points

Two Counties Netball League will work with all members / volunteers and professionals to successful work together to fulfil our ambitions.
